Deb, we're putting finishing touches on a few documents prior to today's re-issuance of the draft UIC permits and AE for Dewey, making the timing for notifications late this afternoon or early evening.

Douglas and I discussed and agree that there's no need to delay your call to SD DENR. Feel free to call Secretary Roberts at your convenience. From their website:

Hunter Roberts, Department Secretary
Vicki Murray, Executive Assistant

In addition to the comm strat (the same one you saw Friday), attached is a flyer with summary information that we'll send out; you may find it useful.
